Tribute Gifts	16 - 19

Challenges wrought by a global pandemic, social tension, and economic unease in 2020 did not deter the Cave Hill Heritage Foundation from its effort to “preserve the past for the future”. The aforementioned challenges actually created wonderful opportunities to identify untapped strengths internally, create new opportunities for partnership in program fulfillment, and unleash a new level of creativity in presentation that will have a lasting impact on our future endeavors.

Partnership in outreach was pivotal in our capacity to serve Cave Hill families and the community last year. A collaborative effort in writing, research, and public relations with the Frazier History Museum and Filson Historical Society, for example, led to an unparalleled level of attention in local media on the topic of suffrage. The Foundation’s suffrage history booklet was the centerpiece of the effort, ultimately leading to a 400+ person attended drive through tour opportunity in the Cemetery, a highly attended Zoom presentation on the history of suffrage, and much more.

Our continued work with Waterfront Botanical Gardens and a new relationship with TreesLouisville provided wonderful opportunities for additional exposure. Capitalizing on the creative capacity of our team, we were able to teach the community about beekeeping and promote our program while selling honey during the reGeneration Fair at Waterfront. Sponsoring a community tree give-a-way with TreesLouisville in the Cemetery also made a lasting impression in environmental stewardship while providing an opportunity to promote our arboretum project. 300 trees were gifted to Louisville-area residents.

Over 600 families who sustained the loss of a loved one were served by the Foundation in our Walking through Grief program. Utilizing our technology platform with the Cemetery and recognizing families on holiday ornaments, the Foundation created an opportunity for “normal” grieving to occur when it otherwise could not. The gesture of having a place to mourn the loss of a loved one was palpable to many people that visited our Holiday Remembrance trees and engaged in our Holiday Remembrance Service.

All of these accomplishments could not have occurred without the support of our donors. In a short amount of time, an appreciable level of funds was received because you recognized the value of our mission and vision. Thank you very much for your continued support and encouragement. Our Board and staff value your ongoing commitment to promoting the vibrancy of Louisville’s historic Cave Hill Cemetery.

As we move into a new year, it can be safely said that the Cave Hill Heritage Foundation is in a financially stable posture to meet its mission and vision. Our commitment to you is to keep you informed and provide opportunities to engage in history, art, and nature with the Cave Hill Heritage Foundation.

Sincerely,

A handwritten signature in black ink that reads "John Michael Higgs". The signature is written in a cursive, flowing style.

John Michael Higgs
Foundation Manager
Cave Hill Heritage Foundation, Inc.

For over 170 years, Cave Hill Cemetery has served the funeral needs of our community. Created in 2005, the Cave Hill Heritage Foundation is a 501(c)3 non-profit organization that is dedicated to preserving the past for the future. We are an educational organization that is devoted to finding creative ways to immerse our community in history and nature by sharing information and offering learning experiences. The mission of the Cave Hill Heritage Foundation is three-fold:

RESTORATION of Monument Art & Historical Structures

PRESERVATION of the Arboretum Setting, and

EDUCATION and Enrichment Opportunities for
the Community

RESTORATION is at the heart of the Cave Hill Heritage Foundation's purpose. As an outdoor art museum and repository for Louisville's history, our restoration efforts focus on the recovery and revival of Cave Hill's historical structures and monument art. The Cave Hill Heritage Foundation restores monuments and markers on cemetery lots when there is no means of communication with lot holders or their descendants. We acquire the services needed for masonry restoration and preserve public structures that are not under the auspices of Cave Hill Cemetery. In 2020, we were able to successfully fulfill the restoration portion of our vision statement through the following projects.

The Cave Hill Monument Crew restored grave markers within the historic section of the Cemetery.

Bronze reconditioning, which is critical to preserve some of our oldest monuments.

The **PRESERVATION** segment of our vision statement is focused on the long-term sustainability and care of not only the cemetery, but the tree canopy it encompasses. The Cave Hill Heritage Foundation acquires tree specimen appropriate for planting in the rural, garden-style cemetery, identifies trees and plants through signage, and documents horticultural material. We produce horticultural-related publications and seek opportunities to protect the environment by promoting the preservation of plants and trees within Cave Hill Cemetery. In 2020, we were able to successfully fulfill the preservation portion of our vision statement through the following projects.

THE CAVE HILL ARBORETUM PROJECT

- 90% completion of Cemetery Field Inventory
- At the end of 2020, over 7,000 trees were catalogued through our relationship with Davey Tree Expert Company.
- Approximately 487 unique tree types have been identified so far; level III Arboretum status requires 500.
- Field inventory will be finalized in January 2021 with no worry of meeting the threshold of unique tree quantity.

EMERALD ASH BORER TREATMENT

Successful treatment for Emerald Ash Borer by the Cave Hill Cemetery Tree Crew

CAVE HILL BEEKEEPING & APIARY

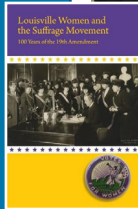

Productive year for beekeeping and honey production with the Cave Hill Beekeeping Team:

- 6.5 gallons of honey produced.
- Over \$3,000 of honey was sold to donors at the cemetery and at public events.

LOUISVILLE WOMEN & THE SUFFRAGE MOVEMENT | FRAZIER HISTORY MUSEUM & FILSON HISTORICAL SOCIETY

- Published *Louisville Women and the Suffrage Movement: 100 Years of the 19th Amendment*
- Over 400 families attended a drive-through and virtual tour opportunity on Election Day at the Cemetery.
- Over 115 individuals around the country participated in a Zoom lecture led by Michael Higgs and Gwen Rogers on the history of the Suffrage movement. This was facilitated by the Filson Historical Society.
 - Tremendous media presence on-air and in-print on the subject of Suffrage.

EDUCATION

and enrichment opportunities are integral to sharing the mission of the Cave Hill Heritage Foundation. We encourage interest in state, regional, and

national history as it relates to Cave Hill Cemetery. We also offer opportunities to study the Cemetery's environmental aspects, as well as monument restoration. In 2020, we were able to successfully fulfill the education portion of our vision statement through the following projects.

TREE GIVEAWAY | TREESLOUISVILLE

Successful collaboration with TreesLouisville to distribute 300 trees to Louisville area residents.

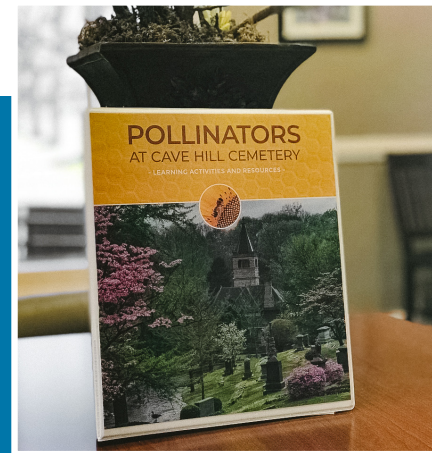

REGENERATION FAIR | WATERFRONT BOTANICAL GARDENS

- Beekeepers taught beekeeping during the reGeneration Fair
- Honey was sold at the event.

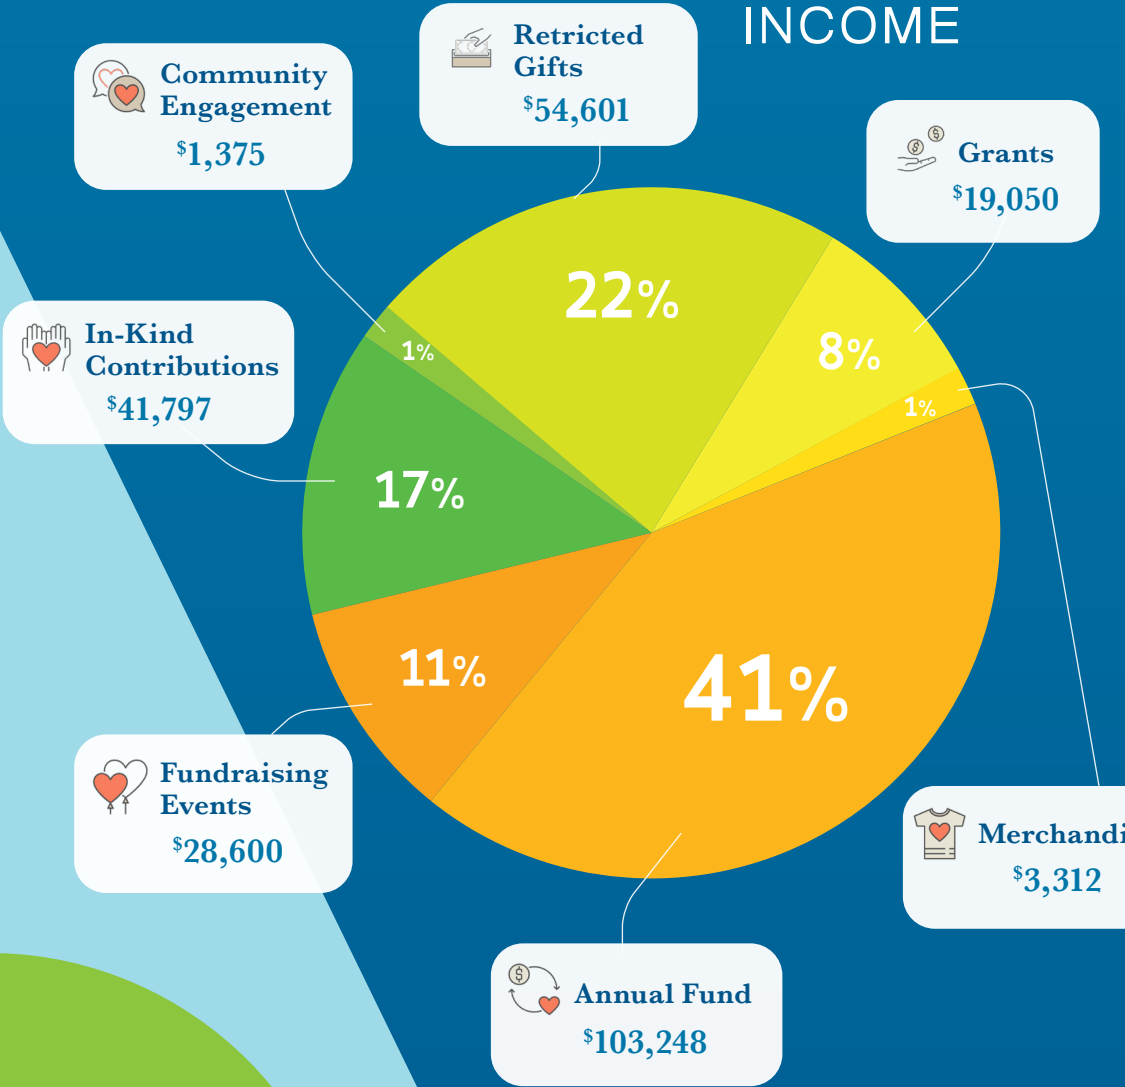

GUIDE TO POLLINATORS AT CAVE HILL CEMETERY

Completion of *Guide to Pollinators at Cave Hill Cemetery*- educational resource for students and teachers. Copies are planned for every school within Jefferson County Public Schools; and, it can be used to supplement field trips and learning during the NTI process.

In 2020, the Cave Hill Heritage Foundation was able to uphold its mission because of your generosity. Over \$250,000 was spent preserving the arboretum setting, restoring historical monuments, and providing educational programming in a year where it would have otherwise not been possible. From the bottom of our hearts, thank you.

The accomplishments of the Cave Hill Heritage Foundation would not be possible without the support of our donors. We were able to continue “preserving the past for the future” in 2020 because *you* recognized the value of our mission and vision. Thank you very much for your continued support and encouragement.
