

August 2020

Dear Friends of Cave Hill Cemetery,

We at Cave Hill Cemetery are dedicated to the well-being and safety of our families, our employees, our vendors, and the community we are so grateful to serve. Thank you for your trust and support as we do our part to address the COVID-19 pandemic in a proactive and practical way, with responsibility and care.

The good news is that Cave Hill Cemetery has remained a constant in this time of change. The cemetery grounds remain open during normal operating hours, 8:00 a.m. to 4:30 p.m., seven days a week, subject to change. We invite you to join the hundreds who have come during the past few months to walk the tranquil paths and roadways of the 172-year-old cemetery. Some of you come to mourn the loss of loved ones or to remember the stories of those buried here. Others come to walk and enjoy Cave Hill's beautiful tree canopy, its monumental art, and experience the quiet and gentleness of the nurtured green space.

Public programming and tours have been cancelled until further notice, but our offices are accessible by phone at any time should you need assistance or have concerns. In-person services are available by appointment only. We encourage you to contact us at (502) 451-5630 to schedule an appointment or simply to ask us questions.

To take full advantage of resources and services offered by Cave Hill Cemetery, please visit our website, www.cavehillcemetery.com. You can download our free mobile app and use it to navigate the grounds to gravesites and take a self-guided tour. The latest information and updates on cemetery programs will be provided on the website and via social media.

Though we continue to welcome visitors to Cave Hill Cemetery during the pandemic, we ask our patrons to exercise the same care as our employees. Please follow social-distancing requirements when visiting to protect yourself and our team members. If you feel sick, please refrain from visiting until you are well. We regret any inconvenience caused by the changes in services and policies as we practice social responsibility. We look forward to the day when these measures will no longer be necessary and hope that by implementing precautions now, we hasten the arrival of that day.

We are here to serve you. We are honored to be entrusted with the care of so many families and loved ones as well as the unique space that is Cave Hill. It is our desire to continue to offer a place of hope and peace at Cave Hill Cemetery as we navigate these challenging times. Thank you for your understanding.

Sincerely,

Gwen Mooney
